May 2023 EDITION

We incorporated our daily living skills, cooking DIY and art classes to assemble a luncheon with the other 1 to 5 class. From preparing the menu to sorting silverware, rolling and wrapping, setting the table and creating and making our own Décor. Best of all participants got to cook, prepare and serve lunch. We all sat together in class and listened to mariachi music and had a fun social time. We plan on making this a quarterly activity in which both classes come together and use all of our skills.
